

ADICHUNCHANAGIRI
UNIVERSITY

Faculty of Nursing Adichunchanagiri College of Nursing

In collaboration with
**Glorious International Nursing Research &
Academic (GINRA) Foundation**

**Organising
National Level
Faculty Development Program**

on

“Redefining Pedagogy through Technology and Research”

**Date: 23rd - 27th | September 2025
Venue: MEU Hall**

Adichunchanagiri University

Nestled amidst the verdant landscapes of Karnataka, India, **Adichunchanagiri University (ACU)** stands as a luminous beacon of knowledge. Established in 2018, ACU transcends the boundaries of a mere academic institution; it embodies a spirit of transformation and continuous progress.

This multidisciplinary private university owes its genesis to the profound vision of the revered Jagadguru Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji, the 71st Pontiff of Sri Adichunchanagiri Mahasamsthana Math. Inspired by a noble dream, he envisioned a dynamic learning hub that fosters not only intellectual growth but also equips students with valuable skills. Equally important, ACU strives to preserve India's rich cultural and spiritual heritage, ensuring a holistic educational experience

Adichunchanagiri College of Nursing (ACN)

Adichunchanagiri College of Nursing (ACN) is a leading nursing institution in India, known for providing high-quality education through experienced faculty and a supportive, competitive learning environment. With modern campus facilities, ACN emphasizes academic excellence, professional growth, and teamwork, preparing students for successful careers in healthcare, research, academia, government, and social service.

Glorious International Nursing Research & Academic Foundation is a prominent organization dedicated to advancing nursing education, research, and professional development. It promotes innovative teaching methods, curriculum improvements, and evidence-based practices, supporting collaboration between institutions in India and abroad to strengthen nursing and healthcare education.

OBJECTIVES OF THE PROGRAM

- ▶ Improve teaching skills by training faculty in new teaching methods, using ICT tools, and blended learning strategies.
- ▶ Advance healthcare education by using technology like virtual reality (VR), artificial intelligence (AI), and telehealth in nursing and medical training.
- ▶ Encourage research across different fields by promoting teamwork between health sciences, technology, management, and humanities.
- ▶ Support innovation and entrepreneurship by providing knowledge about start-ups, incubation, and intellectual property.
- ▶ Help faculty develop leadership skills and maintain well-being through mentorship, work-life balance, and academic leadership training.
- ▶ Promote collaboration across departments to improve institutional ranking, quality of education, and global competitiveness.

Chief Patron:

Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji,

Hon'ble Chancellor, Adichunchanagiri University

Patron:

Dr. S N Sridhara,

Hon'ble Vice Chancellor,
Adichunchanagiri University

Convenor:

Dr. C K Subbaraya,

Registrar,
Adichunchanagiri University

Advisor:

Dr. Komala H K,

Principal,
BGS Institute of Nursing Sciences

Organising Chairperson

Prof. Victoria Sarvand
